

DIVERSITY, EQUITY AND INCLUSION POLICY

MAG Silver Corp. (“**MAG**” or the “**Company**”) believes in and embraces the benefits that diversity brings to its board of directors (the “**Board**”), members of senior management and all employees of the Company and its subsidiaries. Diversity, equity and inclusion promote the recognition and use of all available talent, creates opportunities for innovation, and drives strategic advantage to achieve the Company’s objectives and deliver positive results to its stakeholders through a range of perspectives, experiences and expertise.

The Company is committed to fostering and cultivating a diverse, equitable and inclusive culture and workforce by selecting the best individuals to occupy its Board, senior management and other roles within the Company, free of bias or discrimination.

Meaning of Diversity, Equity and Inclusion

“**Diversity**” includes any dimension that can be used to differentiate individuals or groups of people from one another, including without limitation, gender identity and gender expression, sex, sexual orientation, age, language, race, nationality, cultural background, indigenous status, religious beliefs, members of visible minorities and other ethnic distinctions, physical or mental abilities, marital or family status, education, regional and industry experience, and expertise.

“**Equity**” allows individuals or groups of people to contribute and access the same opportunities without discrimination.

“**Inclusion**” ensures that all individuals or groups of people feel welcomed, valued, respected, and leveraged in all environments.

Application of this Policy to the Board

The Governance and Nomination Committee of the Board (the “**Committee**”) is responsible for reviewing and assessing the Board’s size, composition and effectiveness. The Committee is also responsible for recommending to the Board (i) director nominees qualified to stand for election to the Board (“**Nominees**”) and (ii) candidates for appointment to the Board between annual meetings of Company shareholders (“**Candidates**”), as appropriate.

When identifying and considering Nominees and Candidates, the Committee will:

- assess the overall balance of skills, experience, independence and knowledge of the existing Board; the Board’s cohesiveness; and other factors relevant to the ongoing effectiveness of the Board;
- apply inclusive decision-making principles in assessing the experience, education, qualifications, expertise, personal skills and qualities, and general and industry-specific knowledge of the selection of Nominees and Candidates to make certain that a wide range of perspectives are encouraged and considered, having due regard to the Company’s current plans and objectives; and

- select and appoint individuals based on merit determined against objective and non-discriminatory criteria and pursuant to a process that provides transparency and procedural fairness.

Further, the Company believes that the promotion of diversity, equity and inclusion is best served through careful consideration of every Nominee or Candidate's relevant abilities and attributes without focusing on any particular diversity characteristics. However, to promote the specific objective of gender diversity on the Board and to reaffirm the Company's commitment to increasing Board and workforce diversity, the Board has set a target to achieve a minimum of 30% of the Board being represented by women directors. Any search firm engaged to assist the Board or a committee of the Board in identifying Nominees and Candidates for appointment to the Board will be specifically directed to include diverse Nominees and Candidates. The Board will add identified Nominees and Candidates to its evergreen list of potential Nominees and Candidates.

The Committee will annually review and assess the effectiveness of the Company's nomination and selection process towards achieving diversity, equity and inclusion on the Board. The Committee will also annually review and assess the effectiveness of all other diversity initiatives established and implemented by the Board. The Committee may adjust one or more objectives concerning the Company's overall diversity, equity and inclusion objectives and measure the Board's progress concerning any revised objectives accordingly.
